ANVA

A school management system designed to streamline administrative tasks and enhance the management of academic processes.

ABOUT US

Anva is an **advanced school management system** crafted to **simplify** and **optimise** the myriad **administrative tasks educators** and **administrators** face, Our mission is to **transform traditional educational management** into a more **streamlined** and **efficient process**.
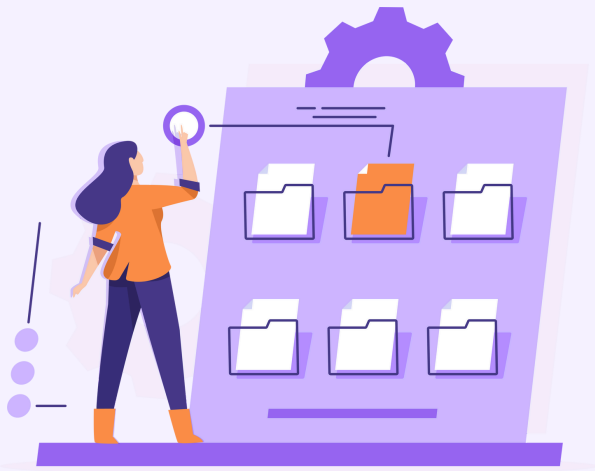

Our platform equips schools with the tools to **effectively manage** their **academic operations**, from **scheduling** and **attendance tracking** to **comprehensive report** generation and **fee management**.

PROBLEM STATEMENTS

Inefficient Operations

Schools struggle with outdated processes and paper-based systems.

Manual Record-Keeping

Tracking student information and performance by hand is time-consuming.

Poor Communication

Communication gaps exist between teachers, students, and parents.

Limited Insights

Lack of data-driven insights hinders informed decision making.

THE ANVA SOLUTION

Unified Platform

One dashboard for all modules - attendance, fees, exams, and more.

Automated Admin Tasks

AI takes care of repetitive work - freeing up teachers & admins.

Real-Time Communication

Instant alerts & chat with parents, teachers & students - no delays.

Scalable Across Schools

Multi-branch support that grows with your institution.

Anva's AI Intelligence

- **AI-Powered Insights:**

  Generates actionable insights for better school management

- **Smart Predictions:**

  Forecasts enrolment, attendance, and academic performance

- **Automated Alerts:**

  Notifies staff of critical issues before they escalate

50+
CORE FEATURES
OF **ANVA**

Student Information System

Manage student records, enrollment, grades, and academic history in one centralized dashboard.

Smart Attendance Tracking

Track attendance digitally for students and staff, with instant updates to parents and detailed analytics.

Real-Time Communication

Seamless messaging system for parents, teachers, and school admins — including circulars, notices, and updates.
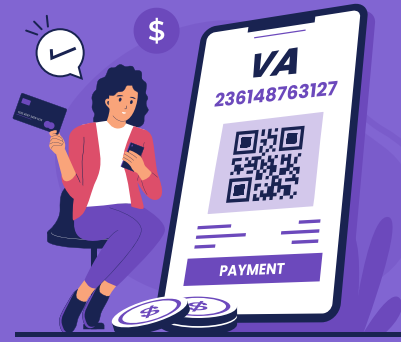

Academic Calendar & Timetable

Auto-generate and manage timetables and school events with drag-and-drop ease.

Fees & Payment Management

Complete online fee collection, reminders, receipts, and financial reports — fully integrated with payment gateways.

Secure Cloud Storage

Store all academic and administrative data safely on cloud — with controlled access rights.

Exam & Results Management

Schedule exams, publish results, and share report cards instantly with both students and parents.

Staff Management

Track staff attendance, roles, payroll, and performance from one unified interface.

Homework & Assignment Tracker

Assign, submit, and review homework digitally with timelines and performance tracking.

& MANY MORE..

Tailored for Every Role.

Admins

- Dedicated admin dashboard
- Role-based permissions
- Performance tracking tools

Teachers

- Teacher-specific dashboard
- Automated atendance
- Easy gradebook management

Parents

- Parent portal access
- Notifications for assignments
- Track child's progress

Students

- Student dashboard
- Reminders for tasks
- Performance insights

Exams, Results & Academic Performance

A+

FINAL EXAM

- Schedule and manage exams with ease

- Release and discuss results securely

- Monitor student performance at a glance
